

1025. RETIRED OFFICER'S RIGHT TO CARRY WEAPON

This regulation is enacted to implement Public Law 108-277 to authorize retired law enforcement officers to carry a firearm nationwide without a permit if they satisfy the following requirements:

1. The officer is a retired law enforcement officer as defined in P.L. 108-277.
2. The officer carries a photographic identification card from his or her former law enforcement agency as defined in P.L. 108-277.
3. During the most recent 12 month period, the officer has met, as his or her own expense, the state's standard for training and qualification of active law enforcement officers to carry firearms.
